Master program in Computational Science at the University of Oslo

Teaching and Examination

Planned start: Fall 2018

Forms of examination and assessment

Language of examination.   In the courses comprising the program, the exam question papers are often given in English, and the answer papers are normally supposed to be delivered in English. The course descriptions provide more information about requirements concerning the language of examination

Grading scale.   The programme contains both courses using the pass/fail scale and courses using the grading scale with five steps from A to E for pass and F for fail. Each course description provides more information about the grading scale in use.
